The Watsons Go to Birmingham—1963 Anticipation Guide

Read the following statements and see whether you agree or disagree with each statement. Provide examples and descriptions for why you may feel the way you do about each statement. After reading the novel, decide if your opinion has changed about any of these ideas.

1. In a loving family, family members never disagree.
2. Being an adult is easier than being a child.
3. Parents always know how to discipline their children correctly.
4. Children usually understand their parents' decisions.
5. Older brothers and sisters should protect their younger siblings.
6. It is easy to predict the behavior of a close family member.
7. Serious family problems can be humorous.
